

Drive shaft available on request for an extra price!

GSZ 242 Combi

GSB 242 Combi

The **EFFICIENT**, practical way to solve clean-up problems of **HOME OWNERS** up to large **MUNICIPAL LANDSCAPERS**!

When you need quality and efficacy, THERE WE ARE. Well designed chippers and shredders are coming into more frequent use for serious gardeners, country estates, landscapers, smallholders and local authorities.

The perfect answer to yard clean-up: BGU shredders are all featuring a special full rotating discharge chute with adjustable ejector flap to direct compost material in any upwards or down-wards direction and with great time savings.

- Upper and lower discharge chute
- Extra large discharge hammers for increased material forcing and greater discharge power
- 200° rotating discharge chute
- Wide opening hopper lets you feed leaves, brush, stalks, tree-bark and garden waste with ease
- Perfect material shredding and mulching and very rapid compost production
- High quality paint, scratch-proof and weather resistant powder coating

Figure: GSZ 242 Combi with upper and lower discharge chute. PTO Powered by means of a drive shaft. Part Nr. 94556

Figure: GSB 242 Combi with upper and lower discharge chute. Powered by an Honda gasoline engine 9.6 kW. Part Nr. 94562

Technical data	GSZ 242 Combi (PTO)
PTO Drive	X
Tractor power requirements	approx. 12/16 kW/HP
Electric motor drive	-
Voltage	-
Gasoline engine drive	-
Motor rev.	3600 RPM
Drum speed	2400 RPM
Drum width	240 mm
Drum Ø	440 mm
Timber Ø	max. 120 mm
Hammers	34 pcs.
Dimensions (W x H x L)	1600 x 1610 x 1700 mm
Weight	approx. 238 kg
Code no.	94556
