Dear Agent

I would like to thank every supplier, dealer, customer and colleague for all the support and friendship I have received over the past nine years. Each of you has definitely made a big impact in my life.

I am going to join the New Holland team and use the opportunity to broaden my knowledge in the agricultural industry. My last working day at Staalmeester is August 12, 2022. I am sure we will run into each other again in the agricultural industry and catch up again.

I can assure each of you that the good service and quality that everyone has become accustomed to at Staalmeester will live on and that Staalmeester will only go from strength to strength in the agricultural industry.

For any inquiries you are welcome to contact Rob Schmidt.
