Compact design and construction,

Tilt-bench saw,

Powerful 700 mm saw also suitable for residential use,

Compact design and reduced size,

Delivered ready to use (no additional installation/assembly costs),

High quality paint, scratch-proof and weather resistant powder coating,

Standard length stop, including set of wheels and tow handle bar,

Log clamps available extra on request,

Smooth running log carriage,

## Specifications:

**Electric motor drive:** 5.5 kW,

**Voltage:** 400 V 16A CE-connector,

**Over-volt safety:** No volt release switch,

**Saw blade revolutions:** 1480 r.p.m,

**Depth of cut Ø:** approx. 250 mm,

**Saw blade Ø:** 700/30 mm,

**Weight:** approx. 112 kg

# WK 780 Range

**BGU WK 780 RB/2** is equipped with gasoline engine for use in remote areas without any power source, and **BGU WK 780 R/2**: v-belt drive with integrated no-volt release switch,

Welded, heavy-duty, all-steel construction with laser-cut and press-bended chassis sides,

User friendly, vibration less tilt-bench of steel plate,

Self-propelled. No need for external power supply,

High quality paint, scratch-proof and weather resistant powder coating,

Delivered ready to use (no additional installation/assembly costs),

Fully compliant to the applicable Work Safety Rules and the European EC-Safety Standards V-belt drive,

Equipped with standard cut length stop,

Log clamps available extra on request,

Powerful, 6.6 kW Honda gasoline engine,

All saws by BGU-Maschinen are available with standard wheel arrangement and handling grip!

**Two models are available:  
BGU WK 780 RB/2 petrol  
engine drive and BGU WK  
780 R/2 electric motor drive**

## Specifications of BGU WK 780 RB/2:

**Petrol engine drive:** 6.6 kW,  
**Tank capacity:** approx. 5.3 litres,  
**Saw blade revolutions:** 1480 r.p.m.,  
**Depth of cut Ø:** approx. 260 mm,  
**Saw blade Ø:** 700/30 mm,  
**Weight:** approx. 135 kg

## Specifications of BGU WK 780 R/2:

**Electric motor drive:** 7.5 kW,  
**Voltage:** 400 V 16A CE-connector,  
**Over-volt safety:** No volt release switch,  
**Saw blade revolutions:** 1480 r.p.m.,  
**Depth of cut Ø:** approx. 260 mm,  
**Saw blade Ø:** 700/30 mm,  
**Weight:** approx. 130 kg

# WK 700 Classic PTO

Rugged construction, maximum safety and top cutting performance!
