

# 2021SP Hammer Mill

Finance  
Available

The 2021 produces affordable stock feeds. This is a dust free hammer mill with an adjustable closing plate and comfortable feeding tray.

The hammer mill uses gravity for effective milling.

The 2021 has an effective 360° effective milling area, which increases the quality of the feed and has a much larger capacity.

#### FEATURES:

- Screen sizes that vary from 0.8 mm up to 70 mm.
- Rotor fitted with 4 hardened blades and v-shaped cutting tip.
- Low power consumption.
- 1 year warranty.
- Ideal for the production of “super maize meal”
- Can be used to mill grain, lucerne and grass types.

#### POWER OPTIONS AVAILABLE:

Electric 3 kW, 220V.

Petrol 6.5 hp.
